

Give Your Vocalist an **EMBRACE**

The SERIES8 omnidirectional collection is offered in 3 popular styles: headset, earworn, and lavalier. The omnidirectional pattern assures ease in fitting with a natural vocal sound well suited in low to moderate noise environments. Its circular pick up pattern adapts exceptionally to a wide array of mic'ing applications.

All the SERIES8 omni microphones boast of 148dB max SPL, IP57 waterproof rating against water, sweat and makeup; and our super bendable boom is "Unbreakable" up to 360°.

Each microphone comes with one X-Connector of your choosing for termination to your wireless system.

The X-Connectors have a threaded screw connection so they are simple to remove, but remain secure while in use.
